Team,

As you would be aware, BAA tabled its consolidated offer to all bargaining representatives last month.

On 3 June 2021, we received a counter offer from the independent bargaining representative.

Yesterday, during the bargaining meeting, BAA received a combined counter offer from the union bargaining representatives. We have been requested to keep the content of the counter offer confidential. Accordingly, the offer will not be published as part of the site EA communications.

The business will carefully consider the elements of each counter offer and respond at the next meeting on 1 July 2021.

If employees have a question on the union counter offer, they can raise it directly with their bargaining reps.

Matt Jones
