Team,

Yesterday, we met with the bargaining representatives from the AMWU and Professionals Australia. Our session with them followed their mass meetings earlier in the week, where the unions received feedback from their members on the proposed terms of our new agreement.

We have received counteroffers from both the <u>AMWU</u> and <u>Professionals Australia</u>, which you can read by clicking on the links.

The business will spend the next week reviewing and assessing these counteroffers and respond to the bargaining representatives at our next meeting, which is scheduled for Thursday 12 August 2021.
